Sr. Developer Evangelist

⟳

Hi, I'm Brendan 👨 💻

I'm a technologist, a DevOps fanatic, and speaker. I currently work as a Staff Developer Evangelist for GitLab. To learn more about me, read my [personal README.md](#) or my [website](#).

> Tip: [Add your own user profile README](#) 💥

Repos

Below find some GitLab repos that I reference a lot

Repo	Description
[brendan/brendan](#)	This README and my list of "ideas"
[My Website](#)	The source code for my website [boleary.dev](#)
[brendan.fyi](#)	Site I use for "short" urls [brendan.fyi/redirects](#)
[Formation](#)	My formation for new Macs that provisions everything - based off [slay.sh](#)
[dotfiles](#)	My dotfiles I use on my Macs
[brendan-demo](#)	Group I use to store lots of demo code - old and new

Speaking

I love speaking and connecting with folks at conferences! You can find my [speaker rider here](#), my [previous talks here](#) and my [current abstracts here](#)
